

# BAZ

# TECHNICAL RIDER

—

## Stage

### SCHEDULE

Day or night (to be defined with the organizer).

### DURATION

Duration varies from 40 min to 1h30

### TOURING TEAM

8 musicians & a technician

### RECEPTION

The organizer will provide the group with a lockable dressing room that can accommodate at least 8 people. The dressing rooms must be equipped with 10 electric plugs (or multi-socket plugs) as well as a closet composed of about twenty hangers. In this dressing room will be put at disposal:

- Two mirrors

- Towels (for the stage)

### FOOD

The organizer will take charge of all the meals for 8 people (including 1 starter, 1 hot dish, 1 dessert, wines, after-dinner drinks and coffees) as well as the breakfast when the band stays overnight.

Thank you for providing a meal without seafood and for providing in the dressing room:

- Good quality organic honey

- Seasonal fruits (if possible) and bananas

- An assortment of Belgian beers

- 1 bottle of "vieux rhum Clément"

- 1 10 year old "Laphroaig" whiskey

- Cakes, fruits, dried fruits, candies, juices, coca, peach ice tea...

- Some "kinders bueno" / "choco bon"

- Red wine grower

- White wine grower

## **SCENE**

Plan a space of 35m<sup>2</sup> (7\*5 meters) minimum.

We have a backdrop set up.

**The stage plan of the technical rider is the main stage plan. However the group can adapt.**

Mineral water bottles are welcome on stage (x8) as well as beers.

## **INSTRUMENTS**

Sousaphone

Guitar

Snare Drum (+HH+Cymbals)

Bass Drum (+cymbal+tom)

Baritone saxophone

Alto saxophone

Trombone

Trumpet

## **TRANSPORTATION AND PARKING**

The 00ZBAND group travels by its own means unless otherwise stated. Please provide a secure parking spot near the stage for 2/3 vehicles.

## **INVITATIONS / PASSES**

The organizer will provide the group with 8 invitations. In general, all initiatives to enhance the arrival of the group are welcome.

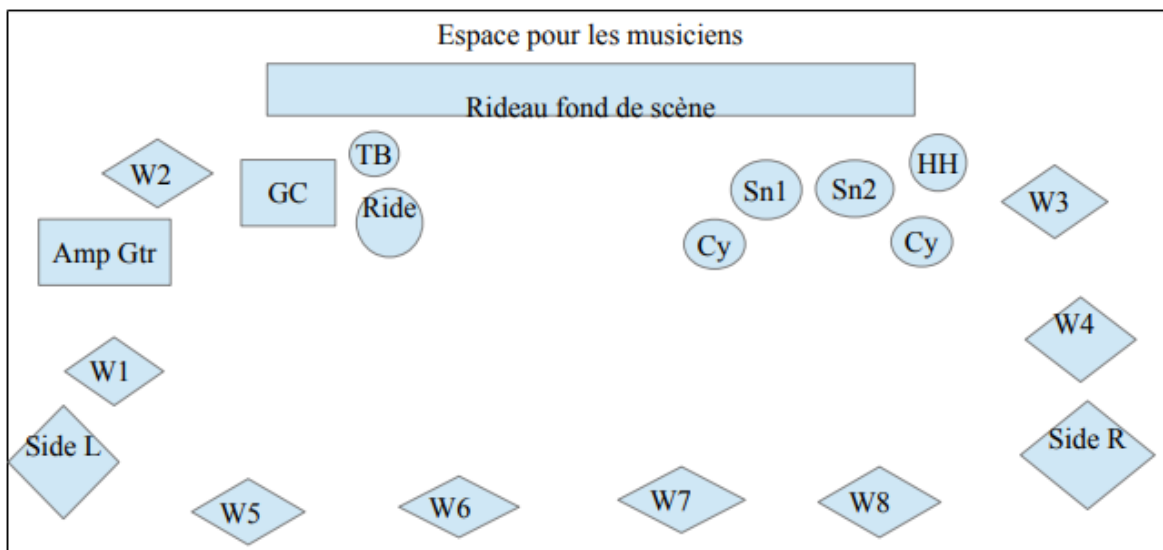

# SOUND DATA SHEET

A real console, 2 reverbs (pcm,spx) and 1 delay. Enough to compress and gate the slices and 1 comp stereo on 1 sub stereo group.

Monitors and stage :

The organizer will provide wedges type DX15, 115xt, PS15R2, MAX15, LE1200,...and 2 speakers on side stands on 2 circuits.

15	GUIWARE	SM 57	PPP	
16	VX	SM 58 HF	GPP	Compressor/Gate
17	VX	SM 58 HF	GPP	Compressor/ Gate
18	VX	SM 58 HF	GPP	Compressor/ Gate

# FICHE TECHNIQUE LUMIÈRE

Rider Light Oozeband V1

We need :

Symbol	Name	Count
	Spot type HPE 700	10
	Wash type K10	10
	Atomic 3000	3
	PAR 64 CP62	14
	FL1300	8
	PC	5

1x Plug 16A Stage Right  
1x Plug 16A Stage Left  
1x Plug 16A Up Stage  
3kW are enough for these 3 Plug

1 univers dmx for our kit at Up Stage  
1 fog machine  
1 Ma2 V3.3.4.3

We bring :

Symbol	Name	Count
	Par Leds	4
	Leds Bar	4

TOP TRUSS

We bring :

Symbol	Name	Count
	Spot type HPE 700	6
	Wash type K10	6
	Atomic 3000	2
	PAR 64	5
	FL1300	8
	PC	5

FRONT TRUSS

## TOP FLOOR

We need :

Symbol	Name	Count
	Spot type HPE 700	4
	Wash type K10	4
	PAR 64 CP62	9

We bring :

Symbol	Name	Count
	Par Leds	4
	Leds Bar	4
